

[Steamboat + Cargo]

Paroo June 10th 1917
Fred Lockley Vancouver was
your friend.

On overhauling some
scraps of paper in my "grip" I run
across the enclosed which I now
recall writing the day after I saw
you on "the Bridge" at Vancouver
Keep it in your scrap book as a
souvenir of the Bridge. I heard that
you printed my photo on the Bridge
I took the Journal a week to see
what you said about me and then
heard you were displaying the photo
in Vancouver and asked a friend to
get a copy but he failed. If you have
a copy will you kindly send me one
I know a Liberty song I am going
to try and get printed with the music

Yours truly

W. Gray
