Kindly write below the name of a resident artist in your zone whom you would like to have on the committee for selecting the jury for the 1966 Indiana Artists Exhibition. The effectiveness of this voting system depends upon your participation. Please return your vote before February 1.

Artists are urged to fill out and return the ballot promptly. In recent years the returns have been inadequate, in the opinion of the Herron Museum, to truly represent the opinions of the majority of the painters and sculptors of the state.
