Here is some "folklore" handed  
to our Historical Society by my  
old friend and schoolmate N. J. Scott  
who with his parents and several brothers  
has spent practically all his life  
in the Naches Valley -

He sent several other items but I  
~~cannot read them~~ -

Yours truly

1959 - Archer letters - Regarding Camp on  
Naches. Do not mention McClellan - It was
