Mr. A. C. Davis
Superintendent of Schools
Yakima, Washington

Dear Superintendent Davis,

After considering the matter carefully I find that by living outside of the dormitory and doing my own work I will be able to decrease my expenses. I believe if I am able to obtain a loan of \$50.00 I will be able to go ahead.

Hoping to hear from you favorably on this matter and thanking you for your kindness, I am,

Sincerely
Faye Campbell
