

Zillah Washington,
Care of Mrs. A. M. Russell,
June 22, 1934.

Mr. L. O. Janeck,
18 N. 2nd Street,
Yakima, Washington.

My dear Mr. Janeck:

I wish to know if you have definite information as to my scholastic record from both President Percival Hall and Superintendent George B. Lloyd.

You may be interested to know that I am at present employed at the Big Y in Zillah. However, my wages are small enough to take care of my board and meals. My hopes of returning to finish school next year rest upon your shoulders. I hope you members of the loan fund committee will place your faith in me to arrange me a sufficient loan of one hundred dollars (\$100⁰⁰) in the near future.

Recently I got word from a college classmate of mine living in Berkeley, California, that he had successfully borrowed some money from the Rotary Club of Oakland, California. I even made better scholastic records than he.

Kindly let me know as soon as the final decision is reached, to relieve my anxiety. I wish to remind you once more that you will never regret loaning me the amount I desire, if the committee passes this resolution.

Yours truly,
Kenneth Nelson
