Dear Mr. Janek:

I received your letter last night. It was evidently delayed considerably some where.

It is impossible for me to pay anything on my debt to the Rotary Club at present. I may find it possible to make some sort of payment in a few weeks. This, I can definitely promise. The debt will be liquidated within one year of ~~the~~ <sup>this</sup> date.

Yes, your loan to me was a great help. Without it I would have failed & to accomplish my end I'm sure. There is no one who could be more appreciative ~~as~~ than I. It has been a great embarrassment to me that I have failed to fill my obligation.

I do not believe a hard ~~to~~ luck story will help pay the debt so I'll omit that.

Respectfully yours

Alonzo Beechfinch
