Satass, End of Track, Station, Dec 4th 1884,

Gen R. P. McKay
U.S. Ind. Agt - Fort Simcoe.

Dear Sir,

Send you inclosed receipt for prepayment from Ainsworth to Prosser, of the goods mentioned in my letter to you of Nov 30th. The total is $65. per Ainsworth W.B. no 638 of Nov 25th. I also send duplicate, which please sign and return to me. The duplicate for the former lot of goods, which I told you here at Satass had not arrived, has since come to me.

You will see by the receipt sent you, which I have signed, that it is for charges from Ainsworth to Prosser. The consignee of the goods at the time of shipping, evidently did not know, that he could prepayment beyond that point. The charges therefor on your goods from Prosser to Satass are not paid. They amount to $10.89,

When charges are not paid in full, it is expected that I will hold goods to protect both myself and the Company, but I preferred to send you goods immediately, knowing that you were anxious to get them. I am therefor carrying on my books the $10.89, and same is charged to me by St Paul office. Will you please arrange for payment of same as soon as possible. On receipt of amount, I will send you receipt similar to this, for charges from Prosser to Satass.

Very truly W. G. Wheeler, Agt.

F. G. Whitson Asq. N. P. R. R. Co
