My dear Judge Erwin,

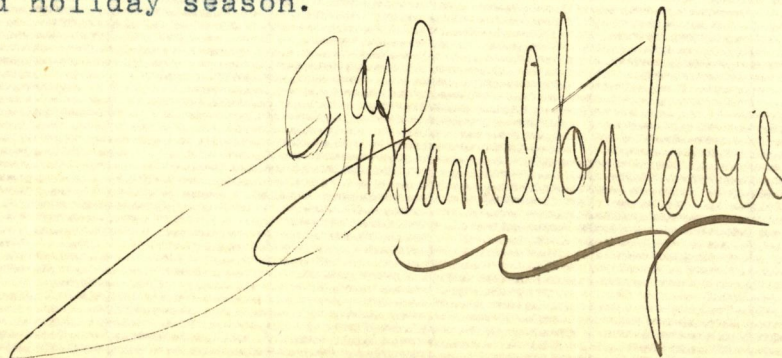

It gives me great pleasure to recommend to you my friend George Holloway, formerly for a number of years a resident of this county, now living near Yakima within the jurisdiction of your curtilage.

During all of the times Mr. Holloway was here, he was an active and enthusiastic worker within the Democratic ranks, and was the leading and trusted committeeman for the portion of the county in which he lived.

As a mechanic I am fully satisfied that he is competent to fill any position which he will accept.

If there is anything you can do for him in assisting him to a position, I shall be under great obligations to you for any such favors as you may confer, which I shall consider a personal favor to myself.

Most respectfully and sincerely yours, and with wishes for your family and a good holiday season.
