My dear Mamma & Papa.

Dr Loomis has just written you to know if I may stay eleven weeks longer. You have given me so much I feel that I should not ask for more. But while I am here I should love dearly to stay. If you feel that you can not afford it do not hesitate to say so - for I will soon get over the dear pain treatment. But say you can pay him at your leisure & I can take it off the letter of credit. Love to all  
Blanche.
