JAN 28,1935.

My dear Sister;-

I was just going to drop you a line when the letter carrier just brought this letter in so I rusher it off to you at once,if you wish to answer it and have me post it in San Francesso, I will do so for you.

Well I hope that things are going along better with you than last year,but my business has not started in as yet and I dont expect it to as I said before the 1st,of March. I have not heard a word from any body since you left,and Al.Young asked if you where in Seattle or at the mine ? I said to him you know as much as I do,but I think she must be at the mine and is Snewed in that must be the reason that I have not heard from her since she left for Sacraments,when she left here.

I hope that Jack strikes it rich, I have not heard from him. there is a report from the weather beaurea that there is about 9 feet of snow on the summit. I kind of expected you about the 15th of Jan.but the best of plans fall down when we least expect it,I am getting use to disapointments, my wife is still in the Hospital and will be untill I make enough to care for her which Iam in the hopes will be soon. I received a nice letter from my boy Ernest and his wife Emily they always ask after you and send their love and wish you the best of luck that the mine will regain your fortune.

I had to leave the Geary Hotel and get a cheaper place so I got a room in a private family for 300per week always address me to the office Two boys From Forest Hill are in town,They have the Gray Eagle Drift Mine which is Nirth of town ,they are here to rase Capitol and I think they will have a hard time finding it. With love and write soon,I am

Your affectionate brother.

J.G.
