Dear Mr. Relander,

I am writing to you concerning your book, (Drummers & Dreamers), and I wish to say I enjoy'd it very much, as I myself have lived on the reservation when I was but a youngster, and I know some of the Indians you have mention'd.

I am a strong believer of The Book of Mormon and its teachings.

I am interested to know how the Indians carry the authority of The Priesthood, can you give me any light on the subject?

I also marvel at the storehouse of information you have on there history, and the time you must ~~not~~^{have} spent on same, not being raised in the west.

I also would like to know if Johnny Wildman is still living, he lived on the Ahtanum above Wiley City.

Hoping this letter reaches you I remain
yours truly Ted Bogtman P.O. box 181
