Dear Click:

Thank you for assisting me in getting a copy of "The Umatilla Trail". I wrote Mrs. Travis and promptly received her interesting letter and a copy of her book which I have enjoyed very much.

In my reading of Yakima I found reference to the "Treaty Centennial 1855-1955 The Yakimas" "Dedicated To The Treaty Chiefs and Yakimas Yet Unborn" which was edited by you. I do hope you can get a copy of this Treaty Centennial for me. I also hope you can send me a copy of your book "Dreamers and Drummers".

Please advise me the cost of these two books and I will forward a check for same.

Very truly yours,

Arthur W. Enigh
