Dear Click,

Just a note to say "Happy Publication Day" to you on October 6th; I saw the listing of DRUMMERS AND DREAMERS in Publishers' Weekly. I like the title and I certainly hope the book goes well. I shall have to browse around some bookstores here for a copy.

Hope all goes well with you. Here in N.Y.C. it's like "old home week" what with Bonnie Wiley, Jackie Burns, and Jack Dierdorf (f?) all living in Manhattan. When are you coming?

Congratulations to you and good luck.

Cordially,

Lorraine Kure
