Registrar-----LaRue Shelton

# SCOUT EXECUTIVE'S REPORT

## COUNCIL PRESIDENT

CHARLES F. MORRISON

As we prepare to enter a new year of Scouting, I am happy to know that boys everywhere in our Council are eager - even more so than in the past - to share in the Scout program. Where Troops or Dens are faltering, the difficulty can almost always be found in the adult leadership, rather than with the boys, - for they are as keenly alive, as eager for thrills and adventure, as pliable under skilled leadership as they have ever been.

The problem of securing competent and willing adult leaders is, without doubt, the greatest hurdle we have to face. Returning veterans who have learned the value of Scout training are easing the difficulty of securing leadership to some degree, but numbers of our Troops are not receiving the full benefit of our program because of indifferent or untrained leaders. As a Council, we need to make a real campaign to train Scoutmasters and Committeemen. If every volunteer in Scouting were well informed and enthusiastic, our service and membership could be much increased.

Another need of Scouting is that each community have a broader vision of its responsibility to the Council. Actually, the Council is the framework which supports the Scout program. It makes available to each community the services of the central office with its records, its supplies and means of communication; its connection with Regional and National Headquarters; its field workers, information and enthusiasm. The Council needs the understanding and support of every community, for the communities are the component parts of which the Council is composed. The Council strives to do for the various districts within its boundaries those things which separately they cannot do for themselves.

The volunteer ranks of Scouting hold many who serve with sincere devotion and their untiring, unselfish service is a constant inspiration. Others of us are not fully living up to our opportunities and responsibilities. We have not yet reached our objectives, but as a Council we have made steady progress, having gained more than one Scout or Cub for each day of the past year. Now a new year lies ahead. Let us resolve to give more boys a chance to be better Scouts in 1947, through our own increased efforts and devotion.

It is a good thing for a man, or a country, to be trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

# SCOUT EXECUTIVE'S REPORT

The main Scouting activities of the Council during 1946 are recorded in the following reports of the operating committees.

These activities, combined, represent much effort and cooperation on the part of unit leaders, committeemen, District and Council leaders, and Cubs and Scouts. In results these activities have not only been spectacular and interesting, but skills and habits have been acquired by those boys who participated---and they will be better men as a result of their participation.

It is my belief that Scouting improved in quality of leadership and program during the year. Sponsoring institutions are more interested in fulfilling their responsibilities to their units---Charter Review meetings have proved this. Unit Committees, if properly informed, are anxious to serve their Troops and to help the Unit leader---the use of the Troop Advancement Plan proves their willingness to help, and their ability. Cubmasters and Scoutmasters are planning, and operating more adventurous programs---the increase of Overnight Camps, and the special Cub programs bear this out.

Membership in Scouting, and particularly in Cubbing, increased during the year. While we may be proud of our accomplishments in this increase, we should be humble in that we are reaching only about one half of those who would be Cubs and Scouts if we had sufficient units, leaders, and adventurous activities.

District Committees are more active, and larger than they have been during the War years. As a result, even greater accomplishments can be expected in the future. Institutional Representatives have become more active, and effective.

The Executive Board of the Council is composed of excellent men, leaders from their respective communities. Attendance and participation in the meetings of the Executive Board has been good. The Operating Committees of the Council have been, in most cases, active and effective.

The Field Executives of the Council, and the office staff have endeavored to be as helpful to all leaders, units, and communities as possible. The Field men have a particular problem of finding time to call upon all units regularly, and must necessarily do more work with those units needing particular help. It is our hope that this problem will be solved by the employment of an additional Field man. Such depends upon the success of current Community Chest Campaigns throughout the Council, and of our independent Scout Drives to raise sufficient funds to employ the additional staff member.

The Council should be proud of its accomplishments in 1946----- and diligent in its efforts during 1947 to do even more.

It is a good thing for a man, or a country, to be trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent.

# CAMPING & ACTIVITIES

A. B. Bartlett, Chairman

The following activities of Scouts were recorded during 1946 in the Central Washington Area Council:--

1. LONG TERM CAMPING (5 Days and Nights or longer)

608 different Scouts camped a total of 746 camper weeks at Camp Fife and on Troop Camps off of Council property.

2. OVERNIGHT HIKES AND CAMPS

An estimated 1200 different Scouts had 2 or more overnight camps.

3. TOTAL CAMPING

11,500 nights of camping were done by Boy Scouts. This does not include day hikes.

4. CAMPOREES AND COUNCIL CAMPORAL

520 different Scouts participated in District Camporees.  
96 Scouts participated in the Council Camporal.

5. SCOUT CIRCUSES

Ellensburg, Sunnyside, and Yakima held Scout Circuses.

6. CIVIC SERVICE

In every community the Boy Scouts and Cubs participated in various types of community service projects. A listing of the various services performed is too long to include in this report. An estimated 40,000 hours of service was performed by Scouts.

7. CAMP FIFE IMPROVEMENTS

- Construction of swimming pool bleachers (by Sunnyside Rotary Club).
- Construction of Cook's cabin.
- Construction of one leader's cabin.
- Completion of camp water system.
- Roofing kitchen addition with aluminum sheet roofing.

8. TROOP # 9 TRIP

Troop # 9, Sponsored by the Congregational Church of Yakima, and under the leadership of Scoutmaster Curtiss Gilbert took a trip of 10,000 miles, going to New York, Washington, and other Eastern Cities, as well as returning home through the South and visiting Philmont Scout reservation in New Mexico. 20 Scouts made the trip. Funds were secured from wastepaper collections made during the war.

# ORGANIZATION & EXTENSION

The Health and Safety activities of the Council during 1946 have included these: Dr. H. E. Wight, Chairman

At the present time the membership of the Council is the greatest that it has been in the history of the Council. As of November 30, 1946 our boy membership was 2,697 and our total membership, including leaders totaled more than 3400. We have had a 16% increase in membership during 1946.

## BOY MEMBERSHIP BY DISTRICTS

Nov. 30, 1946					Nov. 30, 1945 **		
District	Cubs	Scouts	Senior	Total	Cubs	Scouts	Total
North Kittitas	47	75	32	<u>122</u>	27	67	94
Kittitas Valley	110	118	36	<u>264</u>	93	122	215
Mt. Clemans	72	108		<u>180</u>	35	83	118
Yakima	440	680	32	<u>1152</u>	361	698	1059
Central Valley	231	231		<u>462</u>	126	239	365
Sunnyside	158	148		<u>306</u>	125	121	246
Lower Valley	101	110		<u>211</u>	73	148	221
Council	1160	1469	68	<u>2697</u>	840	1478	2318

\*\* In 1945 Senior Scouts were included in Scout column.

In addition to the extension of the Scout program the various District Organization and Extension Committees have conducted Charter Review Meetings for all units as their charters were renewed. These meetings, attended by Executive Officers of Sponsoring Institutions, Troop Committees, the Institutional Representative, Scoutmaster, and the local Organization Committee, review the activities of the unit and assist in outlining an active program for the next year. It is felt that through these meetings that sponsoring institutions will be able to use the Scout program more effectively and that the boys who are Scouts or Cubs will derive more benefit from the program.

resulted, greater advancement is expected. Many values have resulted from the Troop Boards of Review--committees have been activated. Sponsors have held Courts in connection with their other activities, and the program within the Troop has improved in many cases.

# HEALTH & SAFETY

Bradley Emery, Chairman

The Health and Safety activities of the Council during 1946 have included these items:--

1. Inspection of 95% of all unit meeting places.
2. Inspection of Camp Fife.
3. Purchase of safety films and showing them at Troop meetings.
  - a. Winter Camping
  - b. Ice Rescue
  - c. Use of the Axe
4. Organization of classes in first aid and marksmanship.
5. Cooperation with Safety Councils, Red Cross, Tuberculosis League, Firemen, Police, and other organizations.
6. Organization and participation in Lost Man Hunt at Gooseprairie.  
50 older Scouts
7. Recheck examinations for Scouts going to Camp Fife.
8. Construction of Rifle Range at Camp Fife, and affiliation with the National Rifle Association.

# ADVANCEMENT

Dr. Robert E. McConnell, Chairman  
(November 30, 1946)

RANK	NUMBER	%	% in 1945
TENDERFOOT	800	<u>54</u>	62
SECOND CLASS	372	<u>26</u>	19
FIRST CLASS	119	<u>8</u>	5
STAR	87	<u>6</u>	7
LIFE	59	<u>4</u>	4
EAGLE	32	<u>2</u>	4

Practically all Troops are now conducting Troop Boards of Review and Courts of Honor. While an increase in advancement has already resulted, greater advancement is expected. Many values have resulted from the Troop Boards of Review--committees have been activated, Sponsors have held Courts in connection with their other activities, and the program within the Troop has improved in many cases.

# LEADERSHIP TRAINING

Les Ludwig, Chairman

Formal training courses have been conducted in the Council during 1946. Those who complete the training courses, and whose attendance at the various sessions is satisfactory, receive certificates for the course.

An analysis of units by Districts showing units with at least one leader who has completed a formal training course, shows the following progress:--

District	Number of Units	% with Trained Leaders
Yakima	43	48.8%
Sunnyside	11	73.7%
Lower Valley	8	.0%
Central Valley	17	17.6%
Mt. Clemans	6	16.6%
Kittitas Valley	12	25.0%
North Kittitas	<u>7</u>	<u>14.3%</u>
Council	104	35.5%

## FINANCE

Frank L. Schuller, Chairman

During the 1945-46 fiscal year the Boy Scouts were included in the War Chest Campaigns throughout the Council territory. As can be seen from the Treasurer's report sufficient funds were secured to make our program effective. In Prosser, Benton City, and the North Kittitas Area, independent Boy Scout campaigns were successfully held.

During the coming year Scouting will continue to participate in many community chests throughout the Council territory. At this time it is estimated that approximately \$5,000.00 will need to be raised from independent campaigns, in order to secure sufficient funds to employ an additional Field Scout Executive. Success of all current community chest campaigns in which Scouting is participating, is also required to make additional service available.

The Trust Fund Committee of the Council has been active, and its efforts will undoubtedly mean much to Scouting in the years to come.
