Mon N. Stabler

W.S Indian Agt
Horsineoe

Dear Sir:

Joe Stabler was here today. He says that Chapman at Vancouver who has been acting as interpreter for Indians, is now gone from there and is up coaxing the Indians to give up their rights in the Tumwater fishing grounds, and in the Reservation at Horsineoe. Chapman is a good interpreter and can induce the Indians to follow him in his wishes or for his associates.

I thought it best to inform you
