From Carson City you drive to beautiful Lake Tahoe in the high Sierras. You pass Shakespeare's Rock, Glenbrook, Cave Rock, Marla Bay and arrive for lunch at State-line with its glittering casinos. On the return trip to Reno you visit Stewart, a U.S. school for the American Indian. Back in Carson City, your Gray Line tour passes the state capitol buildings and the Nevada Governor's Mansion. You arrive back in Reno in time for a Gray Line afternoon tour of Virginia City or early evening entertainment.

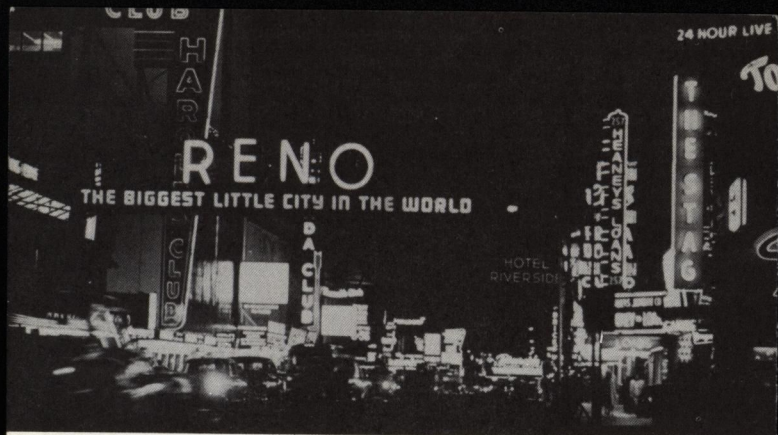

## TOUR S-2

### DELUXE COMSTOCK TOUR — SILVER ROUTE TOUR

Approx. 3¼ hrs., 50 miles. Departs twice daily June 10 - September 10 at 9:30 a.m. and 4:00 p.m. from Reno. FARE \$4.40 including tax.

A delightful morning and afternoon tour to the liveliest ghost town in the world: VIRGINIA CITY, Nevada on the gold and silver-enriched slopes of Sun Mountain. You travel past Steamboat Springs, through the desert foothills and high over Geiger Grade to the century-ago scene of the greatest silver discovery in history, the Comstock Lode. In Virginia City, you tour through the old city streets and have ample time to actually look through such interesting places as the Bucket of Blood, Sawdust Corner, the Delta, old-west museums and the braided ruins of this richest of boom camps. Here, great mines produced over \$750,000,000 in silver and gold to help finance the Civil War and to create enormous personal empires for the men of the Comstock.
