There is a mortgage of \$2,000.⁰⁰ on the
house owned by Susan G. Knox of
^{Wife of John H. Knox.}
New Castle. All she wants is the interest
at 6% semiannually. I have a mortgage
of \$1,500.⁰⁰ and all I want is the interest
at ^{semiannually} 6%. The amount over these
mortgages should be paid in cash.
If the place can be sold for \$5,500.⁰⁰ or 6%
we will accept \$1,500.⁰⁰ cash.
