Mr. Arthur Binford
City

Sometime ago the Yakima Rotary Club made you a loan from our Student Loan Fund. The records I have show that you still owe \$86.00 and also some interest.

The intention of the Student Loan Fund was to assist worthy young men and women in an educational way. This fund is intended to be a rotating fund, so the loans must be repaid, so that we can assist others in the same way, as we believe we have assisted you.

The fund is in no way intended as a permanent loan and we fully expect to be repaid. The undersigned is the Chairman of the Student Loan Fund Committee, and I am asking that you call and see me in reference to this matter, and I sincerely trust that it will be possible for you to liquidate your obligation in full, or, at least, to do so partially, and come to some definite understanding as to the payment of the balance.

Yours truly,

L. O. JANECK
