

[Knight]

Headquarters Department of Santiago,

OFFICE OF THE CHIEF QUARTERMASTER,

Santiago de Cuba.

June 23rd 1899.

My dear Ridgway:

Yours of 11th received

There is no vacancy now, & besides
I would not advise you to come
here at this time. The Yellow Fever
has broken out in the town & among
the soldiers, and things look serious.

By fall there may be some changes
and an opening for you. Will
gladly help you when I can.

Very truly Yours

H. S. Knight
