Drummers and Dreamers of Priest Rapids

but little-known

(-)

*faithfully* A monograph of the remarkable Indian Dreamer prophet, Smowhala and *a* ~~humorously~~ told story of a remnant band of Indians who do not believe that the world owes them a living. It is unfolded against a background of ethnic history and the development of irrigation, navigation, hydroelectric and atomic power along the Columbia River.

----pages. Large 12mo, footnoted, indexed, with ---illustrations in black and white, and endsheets.....Washington \$--.00
