Dear Click:

On behalf of the Yakima Valley Pioneer Association, I would like to thank you for the splendid talk that you gave at the annual picnic. It is such persons as you that give us the inspiration and fortitude to continue to put on these picnics which have become quite a task.

It may sound repititious, but we again want to thank you and the Republic and Herald for the splendid publicity you gave us this year as you always have in the years past.

Assuring you that anytime I can be of assistance to you in any way, you may feel free to call upon me, I am,

Respectfully yours,

Lester S. Shaw
Secretary
