VERNON L. OBRIST  
COMMISSIONER

Mr. Click Relander  
The Yakima Morning Harold  
Yakima, Washington

Dear Mr. Relander:

It was very thoughtful of you to send me the clipping of your article on The Dalles Dam and the effect it is to have on the Indians. My days have been so full that I finished reading it only today. It is certainly a well written history of the area and a fine recital of what is happening today.

I am very happy to have it and I shall file it away for future reference.

I thank you very much for your trouble in sending it to me.

Very truly yours,

Ward R. Webber,  
County Judge
