Dear Click:

Having arrived back home in Washington, I want to take a bit of time out to thank you for everything you did to make my visit in Yakima so enjoyable.

The trips around the area were most interesting, particularly meeting the Yakima Indians, and your kind hospitality was much appreciated. I'm sorry I didn't get to see the Indian dances, but there may be another opportunity some time. Thanks especially for the little arrowhead and for the photographs and reading material you provided me.

If you ever happen to come this way, I would like to have the opportunity to repay some of your hospitality.

With all best wishes.

Sincerely,

A handwritten signature in blue ink, which appears to read "Arthur F. Johnson".
