Four thoughtful Items of Telephone Procedure—

1. Please answer promptly.
2. Please be on the line when the party you want answers.
3. Please speak distinctly and without hurrying, with the lips close to the mouthpiece.
4. Please replace the receiver gently when through talking.

GIVE YOUR FRIENDS Time To Answer

It isn't always possible to get to the telephone the moment it rings. . . .

You'll avoid the disappointment of an incompleting call if you give them a full minute to answer.

Your telephone cannot ring if the receiver is kept off the hook. Please replace the receiver properly when you are through talking.

Rather than dial operator on local calls, please dial these calls direct.

Be sure you hear the dial tone before starting to dial. If slow dial tone should be experienced at any time, please wait. "Flashing" prevents the equipment from doing an effective job for you.
