Dear Click:

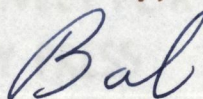

I would like to thank you very much for all that you did for us at our recent convention in Yakima. We certainly appreciated the presentation ceremony by the indians as well as the indian dancing itself.

We are also very appreciative of the coverage our convention received in the Yakima daily newspapers. This was by far the best coverage we have ever had at one of our conventions.

I am sure that Skow Wit Klah will long remember his new indian name and the ceremony making the presentation. Thanks also for the pictures of the Wes Cope dunking on Sunday afternoon. We sure will use the pictures and we were glad to see one of these on the front page of your Monday edition.

When next in Yakima I hope that we can get together for lunch or at least a drink or two.

Sincerely,

BOB GAGNIER
Acting General Manager
