Yakima, Washington

Dear Mr. Relander:

I undertook the study of the Yakima in 1942, at the request of the Northwest Regional Council, an organization with offices then located in Portland. I deposited the original of my manuscript and the negatives of the pictures I took with the Council. Not long after that it went out of existence, and as far as I know so did the materials I submitted to it. At least I was never able to find out what happened to the organization's records or files.

I am doubly sorry then that I cannot lend you the negatives. It is my recollection, however, that there was a set of photos with the copy of the manuscript I left with the Yakima Agency.

Sincerely yours,

*H. G. Barnett*
