Dear Mr Relander:

Your July letter has been neglected by the writer because of a prolonged vacation.

We had not heard of your book DRUMMERS & DREAMERS until we received your letter as no Caxton salesman calls on us.

We are, of course, interested in all books of this area but how far that interest would extend would have to await the appearance of the book. Ordinarily our readers are more interested in Idaho books than Washington books but we have had some good sales for books from the Washington area .

We are undecided about what promotion we could profitable give your book but will keep an open mind and hope to hear from you at a later date. A "Book party" might be the answer and we would appreciate hearing from you when you have definite arrangements.

Yours truly,

THE PAPER HOUSE.

Dear Mr. Relander:

We have received word from Mrs Emmett Avery, of the Archive Library at Washington State College, that she will be glad to cooperate with us in the matter of autographing parties for you and your party on October 16th.

She writes that she had made arrangements for the use of the Library Lounge between the hours of three and five on that afternoon but would be happy to change to evening hours of 8 to 10:00 P M if should a change could be made. Mr. Deutsch was out of the city at the time she wrote so plans are tentative until his return.

It would, perhaps, not be wise to make definite commitments until such a time as Mrs. Avery can confirm the hours selected but the idea seems a good one to us. Your general ideas seem more than fair and I think we can work out satisfactory arrangements.

We do have a daily paper here in Moscow--the Daily Idahonian--in which an advertisement could be inserted announcing our party. We also could mail out invitations--probably about 125.

We will write you as soon as the time element has been settled.

Yours truly,

THE PAPER HOUSE.

Mrs Emmett Avery,
Archives Library
WSC. Pullman, Wash.

Dear Mrs. Avery:

Thank you for your letter of July 12th concerning the receptions in Pullman and Moscow for Mr. Click Relander and his party on October 16th.

As you suggest, we will make tentative plans for the party here in the afternoon pending the return of Professor Deutsch from his vacation. I think the hours from three to five o'clock would best suit our situation.

We will advise Mr. Relander of this tentative arrangement.

Sincerely yours

THE PAPER HOUSE.

I have received definite word from Mrs. Avery that the Pullman reception on October 16th will be held in the evening and that the afternoon will be left to us.

We will accordingly schedule our time for the afternoon of October 16th between the hours of three and five. I have filled in the printed invitation with the correct data and if you will imprint 200 copies we will mail them out locally to our customers.

We would be happy to receive the large Indian pictures on loan and will make our arrangements with Caxton for sufficient stock.

We are happy to cooperate with you.

Dear Mr. Relander:

Thanks for the Advertising copy and
remittance to cover the insertion of
copy in the local paper. We will tend to
it.

We did not find the cut you mentioned.
There was a small envelop sealed with Scotch
tape enclosed but we did not find a cut in
the envelop.

If you do not have another to send we will
insert with out.
