Kennewick, Washington.

March 4/1963

Dear Librarian:

There is just a little doubt as to your  
real desires regarding order for which statement in triplicate  
and voucher is enclosed.

The uncertainty is whether you desired to order  
separate copies of each item, ie: Strangers on the Land, and  
1855-1955, the Yakima, or just one copy of "Strangers."

One of each book was mailed out March 4 upon  
receipt of the order (attached). If this is not satisfactory,  
return the undesired book to 1212 N. 32nd Avenue, enclosing  
another voucher. Destroy the attached and you will be rebilled  
accordingly.

Thank you sincerely for your order. I hope the  
book(s) provide your library with desirable historical information.

Sincerely

Watson Totus
