TO MEMBERS OF THE
WASHINGTON STATE HISTORICAL SOCIETY.

Mar. 15, 1956

The Memorandum invites you to the Annual Meeting of the Society, to be held in the building April 7th, beginning at 2 P.M. Enclosed also is a Ballot and Statement of Dues, unless you have paid your 1956 dues or are a Life Member.

Last year the Open House plan was tried out and worked so successfully that the Board adopted it for this year, - short program in the building, time for touring the building, for there are many new things to see, and time for visiting and light refreshments.

It seems proper to call attention to one feature of the Ballot. Ours is a statewide organization and the Nominations Committee strives to bring to the Board men and women from all parts of the state, persons deeply interested in the preservation of Washington history. The Committee will always welcome suggestions for Board membership.

If you have friends interested in the work of the Society who might become members, please feel free to bring them to the meeting. The building will not be open to the general public that afternoon.

You will be interested in changes that have been made in the building since our last Annual Meeting, and changes contemplated, also in new programs being developed by the Board of Curators.

While the meeting is called for 2 o'clock, come earlier if you can and have a little extra time for visiting and touring the building.

It will help the staff plan if you will complete the notation on the Ballot telling how many to expect. We're sure you'll like this meeting.

Yours very truly,

RENO ODLIN, President

CHAPIN D. FOSTER, Director
