NEWS RELEASE MATERIAL

The charter creating the Northern Pacific railway was signed by President Abraham Lincoln on July 2, 1864. Thus, on July 2nd of this year, NP celebrates its 100th anniversary.

Enclosed is material relative to NP's first hundred years, including illustrations, cut lines, chronology of the railroad and other information for your use should you wish to carry a story on NP.

It is my sincere hope that you will find this material suitable and the Centennial of the Northern Pacific newsworthy. Thank you.
