Pres. Bartlett called the regular quarterly meeting of the library association to order at 7-30 p.m. On account of the illness of our librarian the Pres. and Secy. were not able to make their quarterly reports.

The Pres. introduced the subject of establishing a public reading room in connection with the library. He stated that he already had the promise of ^{on subscription} 16 per. more for the support of a reading room, and that he felt assured that the amt. could be raised to \$25 or 30 per. mo. He also stated that he had the refusal of the room adjoining the P.O. at a rental of \$12 1/2 per. mo.

The subject was discussed at length and a motion made and carried that Pres. Bartlett be instructed to secure a lease of the room for a term of not less than 3 yrs. Motion made & carried that we ^{also} request Pres. Bartlett to arrange for water and light in the room.

There being no further business to transact we adjourned.
