Dear Sir:

We have just received our quota of the 1958 Yearbook of Agriculture, LAND. With the limited number of copies available, we are sending you only enough to provide 2 for each Regional Office and Station headquarters and 1 for each Forest Supervisor and Research Center leader.

Additional copies will not be available from this office. The Yearbook can be purchased from the Superintendent of Documents at \$2.25 a copy. Members of Congress receive quotas for free distribution.

Very truly yours,

CLINT DAVIS, Director
Div. of Information & Education
