Dear Sirs:

Recently I saw a nice little book
entitled "The Yakimes" - Treaty Centennial
1855- 1955. which was published by
authorization of the Yakima Tribal Council
and printed by your press.

Kindly send me the name of a local
dealer where I may obtain a copy
of this fine book, or send me the
price that I may obtain a copy
direct from your company -

I am presently doing some research
on early Washington history and feel
this book would be very helpful
in establishing dates and other pertinent
data concerning the Region.

Thank you for your kindness

I am very truly yours,
