Park Information Bureaus

...where maps, publications and other information are available for the convenience of visitors, are maintained in all these parks.

Entrance Fees

...Entrance to all National Parks is free. Motoring visitors however are required to obtain a park motor vehicle licence at the entrance. The \$2 licence is good in all National Parks for the entire season. (A licence for Waterton Lakes and prairie parks only is available at \$1).

Campgrounds and Trailer Parks

...Camping is permitted only in established campgrounds - except by special permit obtained from the nearest Park Warden. Nominal fees are charged for certain campgrounds where kitchen and washroom facilities are provided.

Other Accommodation

...within the Parks is inspected, and maximum daily rates chargeable are approved by the National Parks Service. Rate cards are prominently displayed in each room or cabin. Reservations and information concerning accommodation are not handled by Park Information Bureaus. An Accommodation Directory however is available at all bureaus.

Picnic Areas

...are conveniently located adjacent to travelled routes.

Pets

...Dogs and cats may accompany a visitor into a park. For the protection of all park animals, however, dogs must be kept on leash.

Fishing Licences

...at \$2 for the season or \$1 for one month are obtainable from Park Information Bureaus and Park Wardens.

Warden Service

...Park Wardens patrol all districts in the parks to protect the forests, the wildlife - and all visitors. The Warden Service is assisted by the Royal Canadian Mounted Police in maintaining law and order. Warden Stations may be located on all park maps.

Firearms

...are not allowed unless sealed. This is done free of charge at park entrances, the Chief Warden's office, or the Warden Station nearest your point of entry to the park.
