OFFICIAL PAPER OF NORTH YAKIMA.

WE trust that all of our readers, and for that matter, all of humanity, will enjoy their Christmas, for that day is unquestionably the greatest of any in the calendar, for apart from its reputed connection with divinity, it is the days of all days that calls forth the good impulses that dwell in the minds of men and women. In the world's history other holidays have come and gone, but Christmas remains and will continue to endure. "The meek and lowly Nazarene," who proclaimed "Peace on earth, good will toward men," and "It is more blessed to give than to receive," left a legacy to mankind which death cannot cheat, nor time efface.

WE read a great deal these days in the newspapers of the country, but more especially those of this coast, in advocacy of the immediate construction by the federal government of the Nicaragua canal, and in fact it may safely be asserted that public sentiment, owing largely to the world renowned trip made by the battleship Oregon last summer, is now crystalized and ripe for the undertaking of this great work by the government. But the interest which most people feel in the project is doubtless inspired through the belief that the great canal has become a military necessity to our government, and that to postpone its construction might be to invite disaster, especially if we were to become embroiled in war with any considerable power in the Pacific ocean. As a commercial proposition, the canal has never aroused any considerable interest among the masses of the people, except, strange to say, on this coast, where of all sections of the country, it seems to us, the scheme ought to receive the least countenance and support when viewed from its commercial side. Pacific coast papers have been for years shouting their fealty to the canal project, and at the same time boasting of the great prosperity that the Pacific seaboard was to enjoy by reason of its future great trade with the Orient. How two such propositions can be reconciled is a matter that puzzles some people. That the Nicaragua canal a reality, would revolutionize the carrying trade of this continent

and to a great extent of the world, is a matter of common knowledge. It would, owing to the vastly cheaper transportation afforded by the water route over the rail, put the jobber and manufacturer of the Atlantic seaboard ten thousand miles nearer the Asiatic market than he now is, which advantage, taken with their cheaper production, is sure to give the east the majority portion of this much over estimated trade. But this is by no means all the harm that this innovation would be likely to do. The trans-continental lines, which, owing to the competition of the canal, would, in all likelihood, be forced to do through business at a loss, and their only alternative will be to recoup themselves at the expense of interior shippers, on whom the transportation burden already rests so heavily. The canal bill passed, will also surely mean the abandonment of all schemes looking to the building of new railways to this coast, thus leaving undeveloped large stretches of country. We dislike to take a pessimistic view of the situation, but in our judgment the canal would seriously retard the growth and development of this coast, while without it, we would be bound to have all that there is in the Asiatic trade. The military value of the big ditch is also largely overestimated, because before the job could possibly be completed, the American navy in all probability will be the largest and most powerful in the world and will be afloat in both oceans, so that the government will be amply able to protect both its seaboard from foreign attack without any necessity for the canal. Let our newspapers and our representatives in congress, cease misrepresenting our people on this vital question. We don't want the canal. It would do us a great deal more harm than good.

COL. James Hamilton Lewis is quoted by the associated press as having said at Chicago "that he was heartily in favor of the policy of expansion in Asia and that although he was a Democrat, if his party opposed this new policy, he would no longer be able to act with it." We are extremely sorry to see our brilliant congressman stepping off again on the wrong foot, but if he insists on putting the case in this manner he may as well pack his grip and take himself out of the Democratic temple at once, for the fates have decreed that the party of which the colonel has been a distinguished member will not only oppose this new and dangerous policy of imperialism but will fight it to the death, for the reason that it is not only un-democratic but un-American,

and if followed to a logical conclusion, will necessarily sound the death knell of our Republican form of government.

LET Yakima put forth the proper effort this coming year, and she can secure what has so long been needed in this locality—a woolen mill. Reliable parties in the east who are practical woolen mill men will locate a plant in this city if they are offered reasonable encouragement on the part of our citizens. This is pre-eminently the proper location for such an industry, being the greatest wool market on the line of the Northern Pacific road. It is the duty of the Commercial club to find out just what is expected from our people in order to secure such a plant, and if the demands be reasonable, it is the further duty of that organization to see that such demands are complied with, and the mill secured.

THE Oregonian of recent date published a column of editorial flapdoodle on the situation within the Democratic party, prophesying that Bryan would be turned down and the almost forgotten Mr. Cleveland elevated in his stead to the party leadership. Yes, that may all come to pass when "The lion eats grass like an ox
And the fish-worm swallows the whale;
When the robins knit woolen socks
And the hare is outrun by the snail;"
And when Col. Scott of the Oregonian treats his political enemies in a christian spirit.

THE committee having in charge the banquet and ceremonies for Jackson day, have wisely concluded to send out no special invitations, but instead to issue a general invitation to all Democrats and to all others whose purpose it is to act with the Democracy in the future. An enjoyable time, and a large attendance is confidently expected. As it is necessary for the committee to know how many will attend, tickets should be procured at once. notice in local column.

PREVIOUS to the late landslide, of our Republican friends were saying, "Oh Snyder can't convict anybody." The record made by the prosecutor at this term of court how ought to induce such "doubting Thomases" to revise their opinions of him. Six convictions out of eight cases is not a record to be ashamed of.

Superior Court News.

The case of the state of Washington vs Oscar Spencer, which was on trial at the time of going to press last week, ended on Saturday, the jury after being out about four hours rendering a verdict of not guilty. The defendant, an Indian was charged with having on the 3rd, day of July, 1898, murdered Willie Sleepy. The defense was conducted by Snively & Miller, who contended before the jury that the shooting was an accident, and the fact of the defendant being drunk would not make that which was an accidental killing murder. The state was not in possession of any testimony showing an intent upon the part of Spencer to murder the deceased, and the law being, that in order for a killing to be manslaughter, it must be done in the commission of an unlawful act, the jury were probably justified in arriving at the verdict which they did.

The case of N. H. Lillie, charged with intent to murder one Callingham, was continued on account of the illness of Dr. McCracken, an important witness for the defense.

The case of the state of Washington vs Harry Roberts, charged with perjury, was tried before a jury on Monday. The jury after being out about six hours rendered a verdict of guilty as charged. The case grew out of an election bet which the defendant had made upon H. L. Tucker for sheriff, and afterwards acted as one of the judges of election of Tampico precinct. The defense, which was conducted by Messers Jones and F. H. Rudkin, contended the bet had been declared off, but the jury did not agree with their contention.

The case of Gaskain & Co. vs James Harvey was continued at cost of plaintiff.

The case of the state of Washington vs J. K. Edmiston and his bondsmen was continued until the 12th, when it will be tried before the court.

Motions for new trials and sentences will come up on the 29th.

Smith and O'Connell, the two men who plead guilty to forgery, were each given two years by Judge Davidson on Wednesday.

Ordinance No. 276.

An Ordinance establishing a local improvement district for the construction of a sidewalk in the City of North Yakima and providing for the construction of such sidewalk and for the assessment of the cost thereof on the property benefited by such improvement, and for the collection of such assessment.

Whereas, The City Council has heretofore by resolution, duly passed, declared its intention to improve a certain street in the City of North Yakima, in said resolution particularly described, by the construction of a sidewalk thereon, which resolution was duly published as by law required; and whereas, the owners of more than one-half of the front feet affected by said proposed improvement have not filed any protest against the same, as provided by law, and said resolution and the time for filing such has expired; and whereas, the City Council, by resolution duly passed, voted to proceed with said work and improvement, now, therefore,

The City Council of the City of North Yakima do ordain as follows:

Section 1. That for the purpose of making said improvement and assessing the cost thereof on the property benefited, a local improvement district to be known as "Local Improvement District No. 6" is hereby created and established, including within the limits thereof the following described lots and parcels of land, to-wit: Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12 in block No. 70, lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16 and 17 in block No. 90, lots No. 1, 2, 3, 4, 5, 6, 7 and 8, in block No. 89 and lots No. 1, 2, 3, 4, 5, 6, 7 and 8 in block No. 88, all of said lots and blocks being in the City of North Yakima, according to the plat thereof on file in the office of the County auditor of Yakima County, Washington.

Section 2. That Yakima avenue and Natches avenue in said city be improved by the construction of a sidewalk along the north side of said Yakima avenue, between Third street and Natches avenue and the west side of Natches avenue, between said Yakima avenue and C street, according to said plat; said sidewalk to be eight feet in width, and laid with planks two inches thick, eight inches wide and eight feet long, surfaced on one side and resting on three stringers, four inches by six inches; said sidewalk shall be laid on the grade marked out and established in front of the lands described in section 1 of this ordinance as the same appears from the grade stakes; all material used shall be

good common fir lumber.

Sec. 3. That the cost and expense of said sidewalk shall be taxed and assessed upon all the property in the local improvement district established by section one of this Ordinance, which cost shall be assessed in proportion to the number of feet of such lands and lots fronting on said sidewalk and included in said improvement district and in proportion to the benefits derived by the construction of said sidewalk; provided that the expense of constructing said sidewalk in the space formed by the junction of two or more streets or where one street terminates in another and of street crossings shall be paid by the City of North Yakima.

Sec. 4. That the Committee on Streets and Ditches of the City Council of the City of North Yakima are hereby constituted a Board of Assessors for the purpose of assessing the costs and expense of the construction of said sidewalk on the several lots and parcels of land included in the improvement district hereinbefore established.

Sec. 5. That immediately upon the completion and acceptance of such sidewalk, when constructed, by the City Council or its authority, it shall be the duty of said Committee on Streets and Ditches to subscribe and take an oath for the faithful performance of their duties as such assessors and proceed to assess the cost and expense of constructing said sidewalk upon all the property in the local improvement district herein established, in proportion to the number of feet of such lands and lots fronting on said sidewalk and included in said local improvement district and in proportion to the benefits derived by the construction of said sidewalk; provided, that the expense of constructing such sidewalk in the space formed by the junction of two or more streets, or where one street terminates in another and of street crossings shall not be included in the cost assessed against the property included in said improvement district.

Sec. 6. It shall be the duty of said Committee on Streets and Ditches to prepare an assessment roll which shall contain a description of each lot or parcel of land included in said local improvement district, together with the name of the owner, if known, if not, to be so stated, and the amount of the assessment against such lot or parcel set opposite the description, and in making such assessment the decision of a majority of said committee shall be deemed the decision of the committee.

Sec. 7. On the completion of said assessment roll said committee shall forthwith file the same with the City Clerk and thereupon said City Clerk shall cause the same to be published for two weeks in the newspaper doing the city advertising, together with a notice that said assessment roll is on file in his office subject to the inspection of all persons interested and at the first regular meeting of the City Council after such last publication to be held on a day and hour to be named in said notice, any person feeling aggrieved by reason of such assessment may appear before the City Council and be heard with a view to the amendment of the same. The Council at the time and place designated in said notice, may amend and revise said list if necessary to render the same fair and equitable, and may raise any assessment without further notice than herein provided, and may adjourn from time to time until the work of amendment and revision is completed.

Sec. 8. The City Clerk shall note on said assessment roll, opposite each description, any change or amendment made by the City Council in such assessment, and shall thereupon deliver to the City Treasurer a certified copy of said assessment roll, as revised and amended by the City Council.

Sec. 9. Upon the receipt of such copy it shall be the duty of the City Treasurer forthwith to publish notice in the newspaper doing the city advertising, for four successive weeks, that a certified copy of said assessment roll is in his custody, and that unless said assessments are paid to said City Treasurer within thirty days from the first publication of said notice, the same will be delinquent and be collected according to law.

Sec. 10. It shall be the duty of the City Treasurer to report at the first meeting of the City Council to be held after such assessments become delinquent, to the City Council, what portion of said assessments have been paid, by whom paid, what portion is delinquent, together with a description of the lots and lands upon which said assessments are delinquent included in said local improvement district, together with the names of the owners, if known, and thereupon it shall be the duty of the City Attorney, under the direction of the City Council to enforce by proper proceedings the lien of said assessments upon the lots and lands in said local improvement district against, which the assessments have not been paid.

Sec. 11. When assessments are collected by the City Treasurer the same shall constitute a special fund to be known as "Local Improvement District No. 6 Fund" and the same shall be applied in payment of the cost of the improvement herein provided for and to no other purpose and on presentation of any warrant or warrants drawn against said fund the treasurer shall take up said warrant or warrants drawn against the same out of any money in said fund, in the order of the issue of such warrants, or endorse on the back thereof the date and amount of any payment made if not paid in full.

Sec. 12. As soon as said sidewalk is constructed and accepted by the city it shall be the duty of the Mayor and City Clerk to draw a warrant or warrants in favor of the contractor, payable out of the special fund created by section 11 of this ordinance, for all that portion of the cost of said improvement assessed against the lots and lands in said local improvement district, which said warrants shall bear interest at the legal rate from and after the time when assessments herein provided for, become delinquent, and the City of North Yakima shall be in no manner liable for the payment of said warrants if it uses due diligence in collecting the assessments properly applicable to the payment of the same, and at the time of issuing the foregoing warrants the Mayor and Clerk shall also issue a warrant payable out of the Current Expense Fund for that portion of the cost of said improvement chargeable to the City under the provisions of this Ordinance.

Sec. 13. All assessments levied under the provisions of this Ordinance shall bear interest from and after the same become delinquent at the same rate as general county and state taxes.

Passed the Council, Dec. 19, 1898; approved Dec. 19, 1898. O. A. FECHTER, Mayor. Attest—H. B. DOUST, City Clerk.

Mr. Alwardt is a gentleman who has traveled over most of the world, has lived in South Africa, as well as Patagonia and the Argentine Republic, but Yakima suits him better than any of those countries and he proposes to buy a large ranch and settle down.

Governing Board Meeting.

Board met in regular session Saturday evening, Dec. 17th. Present—W. L. Steinweg, president; O. A. Fechter, secretary; and Messrs Ditter, Hough, Larsen, Bartholet, Horsley and Gunn. The minutes of the previous meeting were read and approved. The committee appointed at previous meeting on advertising literature reported in favor of getting up a series of entertainments under the auspices of the club for the purpose of raising the necessary money to defray the expense of publishing the said literature, and asked that the committee be discharged. Gunn moved that the committee be continued, with instructions to prosecute the work; motion carried. A circular letter from H. H. Hanna of Indianapolis, Ind., was read, asking that the club endorse the so-called business men's currency scheme, and on motion of Gunn it was laid on the table. A letter was read from the Asoria chamber of commerce asking that the club co-operate in a farmer and wheat-growers convention which it is proposed to hold at The Dalles, on January 11th, for the purpose of agitating the improvement of the Columbia river. Adjourned.

A Sudden Call.

"Uncle" Joseph Stephenson and family were shocked and pained beyond measure by the receipt of a telegram on Monday night, announcing the sudden death at Sacramento, Cal., of Mrs. W. H. James, the eldest daughter of Mr. Stephenson. The remains which were brought home for burial, arrived Thursday night, accompanied by the bereaved husband and his little five year old son. The funeral which was held on the following day at 1 p. m. from St. Michaels church, was very largely attended. The deceased who had lived in this country from early childhood until a few months ago, was beloved by all who knew her, for her many splendid qualities of heart and mind; and Mr. James and Mr. Stephenson and family, have the sympathy of the entire community in their great loss. The cause of the lady's death, which was not definitely known here, until after the return of Mr. James, was brought about by a sudden hemorrhage.

Married—At the M. E. parsonage, Rev. U. F. Hawk, officiating, Wednesday evening, Dec. 21st, 1893, Mr. W. O. Marrs, of Seattle, to Miss Anna Scott, of North Yakima. Mr. and Mrs. Marrs will make their home in Seattle.

A grand masque ball will be given next Monday evening, at Mason's opera house, by some of the enterprising young men of the city. A number of choice prizes are offered by different business houses. A large attendance and a good time is expected.

Auditor Flint done a land-office business this week in marriage licenses. Following is the list of cupid's victims, C. P. Duniway and Miss Vicy Stiltner; Harry W. Fisk and Miss Luna S. Burke; J. E. Hamilton and Miss Minnie Pate, W. O. Marrs and Miss Anna Scott; Isaac L. Robbins and Miss Minnie Allen.

The boys in the county treasurer's office got a touch of high life on Monday by witnessing the performance of a marriage ceremony by Justice McCrimmon, who is a special deputy in that office. The youthful couple for whom the judge tied the connubial knot, were journeying through town in a covered wagon, and in a business like way asked for a license and the nearest justice. It is said that after the ceremony was performed, the treasurer and his deputies all kissed the fair young bride as they wished the happy young couple God-speed on life's journey.

The "Peak Sisters of Boston," as given by home talent, under the auspices of the M. E. church, at Mason's opera house, last Saturday evening, was an interesting and amusing entertainment and highly appreciated by the large and enthusiastic audience present. Those taking part in the play, or rather recital, were: Mrs. Edna Haines, and the Misses Blanche Smith, Grace Haycraft, Ella Chambers, Cora Pointer, Grace Wilson, Eva Clark, Zela Fraser, Maggie White, Nora Morgan, Grace Shannon, Meta Weisberger, Marie Shafner and Dotah Barker. Miss Edna Haines and these thirteen young ladies, all dressed just alike in a costume that was odd, comical and becoming, representing the "Peak Sisters of Boston," rendered a program consisting of marches, evolutions and songs and recitations, of an humorous nature, to say the least. After the entertainment the audience were given an opportunity to purchase articles of various descriptions suitable for Christmas presents at the booths in charge of the ladies named as follows: Doll booth, Mrs. Kinsey; domestic goods booth, Mrs. Larson; embroidery booth, Mrs. J. Green and candy booth, Mrs. Shearer and Mrs. Teusley.

Council Meeting.

A large number of citizens were present at the city council meeting Monday evening evidently expecting that there would be some new developments in the matter of the Lund saloon license case. That matter was not reached, however, until after the transaction of a great deal of routine business. Finally the city clerk read the remonstrance of the owners of fifteen lots in block 30 and 31, which was signed by the following property owners: A. B. Weed, 2 lots; I. H. Dills, 3; J. R. Lewis, 1; by W. L. Steinweg, agent, 2; Schlottfeldt, 2; Vessey and McRea, 1; L. O. Janek, 1; Mrs. W. H. Kershaw, 1; and Mrs. J. K. Ward, 2. After the reading of the remonstrance, Judge Graves, as the attorney of Mr. Lund, came forward and stated that inasmuch as the fifteen days provided by the ordinance, in allowing signatures to the remonstrance, had not yet elapsed, he would ask that action on the whole matter be deferred until the next meeting, which request the council acceded to.

Councilman Poole introduced an ordinance raising the salary of the city marshal from \$55 to \$65 per month, the night watch from \$40 to \$50 and the city attorney from \$20 to \$30, while the police judge was placed on a salary of \$25 per month.

The best way to build up a town is to stand by every man in the place who does right. Whenever a man is doing well do not tear him down. All residents should be partners, not opponents. In all livelihoods the more business your rival does the more you will do. Every business man who treats customers honestly, courteously and fair will get his share, and the more people try to kill each other in business the more readily will utter ruin come to all. Stand together for the advancement of every citizen. If a man shows ability to prosper, do not pull him back through jealousy, or weigh him down by a solid indifference.—Centralia News

An exchange says that in the east there are 60,000 women for whom there are not enough men to give each a husband. That in the west there are 100,000 men for whom there are not women enough to give each a wife. It was suggested that there be some way devised to bring these people in one grand multifarious wedding. If we are to believe this statement it would seem that the married women in the east were lucky to get any thing for a husband, and in the west a man was fortunate to get anything more than ribbons and flowers.—Local.

Notice to Contractors.

Notice is hereby given that the City of North Yakima will let a contract for the construction of a sidewalk along the east side of Third street in said city between the northwest corner of lot No. 13 in block No. 68 and a point eight feet south of the southwest corner of block No. 69 and along the south side of B street in front of lot No. 9 in block No. 69, all of said lots and blocks being according to the plat of said City on file in the office of the County Auditor of Yakima County, Washington, said sidewalk to be eight feet in width and to be laid with planks two inches thick eight inches wide and eight feet long, surfaced on one side, and resting on three stringers, four inches by six inches, said sidewalk to be laid on the grade marked out and established in front of said lots and lands as appears from the grade stakes; all material used to be good common fir lumber; the contractor to furnish all material and perform all labor and to make any excavation that may be necessary to place said sidewalk on grade; all material removed in such excavation to be placed at some point in the roadway to be determined by the city marshal, not more than two hundred feet from the point from which the same was excavated; said sidewalk to be laid in a good workmanlike manner under the directions and subject to the approval of the committee on streets and ditches of the city council of said city; bidders will be required to bid separately on that portion of the sidewalk fronting on lots and lands and that portion embraced in the space formed by the junction of two streets.

Sealed proposals for the contract for the above improvement will be received by the City Clerk up to the time bids are opened at 7:30 o'clock p. m. on the 2nd day of January, 1899.

No bid will be considered by the city council unless the same is accompanied by a certified check on some bank in said city, payable to the order of the city treasurer, for the sum of \$10.00, as security that such bidder will enter into a contract with said city in pursuance to his bid and this notice in the manner prescribed by ordinance, in case such contract is awarded to him, which said sum will be forfeited to said city as liquidated damages in case of such bidder's failure so to do.

The contractor will be required to enter into a contract and give bond with approved security as required by laws of 1897, page 57, within three days after notice from the city clerk that the contract has been awarded.

The City Council reserves the right to reject any and all bids.

Dated at North Yakima, Wash., December 21, 1898. H. B. DOUST, City Clerk of the city of North Yakima, Wash. (Seal)

Something Worth Seeing.

The attraction billed for the Mason opera house next Wednesday, Dec. 28, is that standard production, "Tennessee's Pardner." It will be presented by Arthur C. Aiston's company, which has for the past two seasons been recognized by the theatre-going public as one of the leading dramatic attractions en tour. "Tennessee's Pardner" emanated from suggestions furnished by Bret Harte's popular romance of the same title and the play-writer has modeled his characters after some of the most noted of Bret Harte's creations. The play is an idyl of western life, a natural interpretation of life in the sand hills of Nevada, a romance in which the comedy and pathos of life intermingle much as they do in the busy world. Its every scene and every line is wholesome and rings true, and the types of character lose none of their unconscious humor, their dignity or their manliness through being invested with Harte's poetic charm. It requires a company capable of appreciating the possibilities and beauty of the various characters, and understanding the fine shading of true characterization. Manager Aiston has succeeded in retaining his original company intact for the past three seasons and the result is that the actors have become the characters they originally represented and are oblivious to the effect they produce. In this very thing lies the secret of the play's great success. The audience finds no occasion to comment on this or that actor's ability, but is interested in the welfare of the characters portrayed. The play will be handsomely staged and The Golden Nugget quartette will render a new repertoire of vocal selections. The attraction plays only the large cities and was secured for North Yakima only on a large guarantee.
