Dear Mr. Relander:

In Mr. Shelley's absence, on vacation,
I am answering your letter of August 26.

We can not take the time to make a
thorough search for materials relating to General James
J. Archer, since you are only in the beginning stage
of your investigation. We are almost swamped with
inquiries from all over the country.

Yes, the James J. Archer of the
Archer Collection here is the same as General Archer
of the Confederate army. We do not find any photo-
graphs or other pictures of him or his family. You
will find a list of source materials relating to
General Archer at the end of the sketch of him in
the Dictionary of American Biography.

We return the photographs you sent.

Sincerely yours,

James W. Foster

Dear Mr. Relander:

Mr. Shelley went to the New Jersey Historical Society in August of last year.

Your letter of June 16 has been delayed in the hope that we could do more research for you, but our facilities for this are very restricted. We have not been able to locate the pictures which you requested. There is some manuscript Archer material belonging to the Harford County Historical Society, which is now deposited in our Society. You would have to visit us in order to use it since there is practically a full vertical file of material which is only roughly indexed.

We will be interested in anything you do with General Archer and would like to have a copy of anything which you may have available. He was indeed an outstanding man. The best of luck in your project!

Sincerely yours,

Francis C. Haber

Dear Mr. Relander:

We are unable to find readily any descendants of the Archer family who might assist you.

We suggest that you write to Mrs. William H. B. Howard, "Olney Farms", Joppa P. O., Maryland, who is thoroughly acquainted with Harford County residents. Her mother was a Van Bibber.

We shall look out for Miss Jo Ann Shore when she comes.

Sincerely yours,

James W. Foster
