U.S . Sen. Henry M.Jackson, chairman,  
Committee on Interior and Insular Affairs,  
U.S. Senate, Washington, D.C.

Dear Senator:

I understand that copies of the printed hearings on the Colville Indian Legislation (S. 1442 and S. 1169) held October 24, 25 and 26 have been issued, and are probably available upon inquiry.

As you know, material of this kind is very helpful to me in my writing and continuing research into Indian affairs. I would very much appreciate a copy, and assume that Brian C. will be able to find me a copy.

And of course, printed material, as it developes and as it relates to the Yakima Indian Nation is always helpful to me.

I assume, too, you know the results of a "straw" vote at a Yakima Valley College function, taken at a Republican gathering. One Sen. Henry M.Jackson, not listed on the Republican "ballot" drew more votes than the listed Republican "candidate." The best to you.

Sincerely
