Re: Order No. 50

Dear Miss Pearce:

Under separate cover and in the same mail I am sending you a copy of 1855-1955 The Yakimas.

This is in response to a postcard you sent 11/25/55, received today, to rush, book post 1 copy Yakima Indian Tribes.

I am sending this copy to expedite your order so you may give service to your customer. This publication by the Yakima Nation was issued to sell at \$1 the copy. There was no discount for less than 5 copies when this was issued several months ago, so please accept the copy I am sending, gratis, to expedite your order.

I had intended dropping into the store on my next trip to Seattle, perhaps around Dec. 9 as I am to attend a State Historical Society board meeting at Tacoma on Dec. 10. This would be in connection with my forthcoming book Drummers and Dreamers which will be issued by Caxtons. That is some months distant but I am now completing arrangements for a tour, upon publication, with some of the very interesting old Indian characters in the book.

If storms etc. prevent my trip on schedule, I shall most certainly drop in later. Meanwhile please accept the copy of the pamphlet sent.

Sincerely Click Relander
