

March 23, 1932

Hon. John W. Summers,  
House of Representatives,  
Washington, D. C.

Dear Sir:

We would appreciate knowing what has been accomplished through bill H. R. 9624 with provisions for emergency road construction as a means of assisting the unemployed. Doubtless the press has carried this information but I have not sufficient information to report it intelligently to the club.

Thanking you for an early reply.

Yours very truly,  
Toppenish Commercial Club.

By \_\_\_\_\_  
Chairman Road Committee.
