

GEORGE H. MOORE
STATE PRINTER

STATE OF CALIFORNIA
Bureau of Printing
SACRAMENTO

October 23, 1937.

Mr. Chas. A. Whitmore,
c/o Visalia Times-Delta,
Visalia, California.

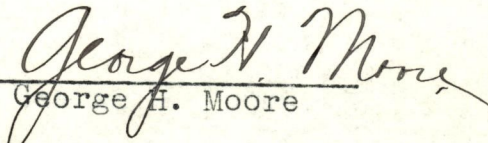

Dear Friend:

On Monday evening, November 1st, Bob Alexander, Assistant State Printer, will have completed fifty years of service on the one job. This is a remarkable record, and it is of such importance that his friends will give Mr. Alexander a real party on that date at the Sacramento Elks Club.

The banquet will start at 7 P.M. Old friends and new will gather to do homage to this Grand Old Man. He will be presented with a gold watch. Believe it or not, but Mr. Alexander has no watch. Every time he consults the new time piece he will think of you, for if you accept this invitation, you will have shared its cost, and your name will be graven on a golden scroll that we shall present to him.

As a former State Printer, and having known Bob so well, I knew you would be interested in this event. I am enclosing a ticket and hope you will be able to attend.

Very truly yours,

George H. Moore
