La Route, & Ann Arbor -
Sept 24, 1945

Dear Sir: -

Your letter of the 15th was forwarded to me. Thanks for the check - will mail the material to you the first of the month as I expect the in Ann Arbor by Monday. Have been picking up a few books while traveling & have shipped several boxes to Ann Arbor. Am listing a few that might interest you and also wish to say that I have some extra Remington prints - artist proofs in folio. These run from \$3.50 to \$5.00 depending on the subject and condition. Am also listing below a set of books which contain large Remington & Moran reproductions - most in color. Things are rather high now in the big cities - found no Millers or Harls below \$2.00.

Books-

Picturesque California - The Rocky Mountain & Pacific Slope. N.Y. & L.F.; Edited by John Muir. 1894
1 vol, complete. (spine cover gone) This is a smaller edition of the 1885 set, part of which is listed below. The prints and printing are of the same size as the original, but all of photo-zinc type. - \$4⁰⁰

Picturesque California & Region West of the Rocky Mountains from Alaska to Mexico - ed. by John Muir. - 1888. - vols 1 + 2 of the (4 vol?) set - with etchings & plate engraving. This set is rare because the dealers take out the Remington prints and some of the others and sell them separately. I haven't been able to check fully, but these two vols seem to have all the Calif items. - all the plates are intact. \$15⁰⁰

Maps of the New West - Wm Thayer, 1888 - over 300 engravings & maps - fine condition - 4⁰⁰
