TO: THE MEMBERSHIP COMMITTEE, WASHINGTON STATE
HISTORICAL SOCIETY
FROM: Bruce Le Roy

The consensus seems to be that the best date for most of the committee would be February 11th.

Will you, therefore, please circle the date on your calendar? We will meet for luncheon and can return to the museum afterwards to continue the meeting, if necessary.

You all appreciate, I am sure, that this problem is of the utmost importance to the future success of the Society. Any suggestions you can bring to the meeting will be greatly appreciated. I have several ideas to bring for discussion but will welcome other suggestions to fill out our plans.

Plan to meet at the museum a little before noon on Feb. 11th. Looking forward to seeing you then.
