Dear Mr. Relander:

I am enclosing a packet of your notes for the talk presented to the Kittitas County Historical Society, given at the Courthouse in Ellensburg October 2, 1961.

We are indeed grateful to you for the loan of this material which has been transcribed and a copy will be in the hands of Dr. Mohler as well as in the Library of the college.

Our school librarian, Mrs. Reginal Shaw also requested me to send her a copy which she said would be useful to her in the Junior High School Library. Your research on the subject of local regional facts pertaining to the Kittitas Valley has, as you see, met a "felt need" and we are very appreciative of your efforts in behalf of the organization.

Yours very truly,

Margaret S. Mount
