

ORCHARD CENSUS

Yakima & Kittitas Counties

1929 & 1930

Variety	1929-30	1930-31	1931-32	1932-33	1933	TOTALS
---------	---------	---------	---------	---------	------	--------

The Orchard Census for Yakima and Kittitas Counties was taken by the Inspectors of the State Department of Agriculture in the various sections of these Counties, and every effort was made to collect the information from all commercial orchards in these two Counties. A segregation as to dates of planting has been made so that by studying varieties and plantings the trend of planting may be noted.
