Ellensburg, Wash.

Dear Sir:

On a recent trip through Ellensburg I was surprised to see your window and preparations for opening.

Inasmuch as you noted (on your window card) that you contemplated mail order business, etc. I thought I would write and see if by chance your stock has some items I have been looking for, and now have some queries out for.

If you have any of the items listed you may quote me your price and I will either call for them or have Mrs. Melander, who is attending CWS& pick them up. Also please advise as to your contemplated opening date.

Bureau of American Ethnology, Part II, Mooney Report (Ghost Dance Religion)

Smith, Harlan; Archaeology of the Yakima Valley

Meeker (Pioneer Reminiscences) Tragedy of Leischi

McWhorter-Yellow Wolf

Kip-Army Life in the Pacific

Howard, G.O. Among Our Hostile Indians (or similar title)

Cox, Ross (early edition) or Alexander Ross, (early edition) not necessarily firsts.

West Shore magazines (bound vols) or (separates)

Your type of window display indicated possibility you would have something in the line mentioned. I am looking forward to visiting your store, and of course, hearing what you have in the list mentioned, and the price.

Sincerely
