Mr. Janeck:

I in regard to my student loan,
I have not been credited with my
last payment which was made on May
24th of five dollars according to my
money order receipt.

Some time ago I reminded Mr Davis
of the mistake, which was straightened out
by him, and the mistake found.

If you will please check over the payments
and after this mistake I will send the
remainder of the money.

Yours truly
Glen Rowe
