

DEPARTMENT OF THE INTERIOR

United States Land Office

Sacramento, California.

This office is in receipt of your letter requesting plat of vacant lands.

Owing to the office force being engaged with the current business, it would be impossible at the present time to make township plats. There are no maps issued by the government or lists compiled showing vacant government lands. The only way of determining which lands are vacant is by checking the records of this office, which are kept by townships. These records are available for search by any person during office hours and such aid will be given as the business of the office will permit.

No charge is made for information or status where the inquiry is about any tract or tracts of land properly described by section, township and range, or where the name of the entryman or serial number is furnished.

The following persons and firms, residing in Sacramento, are reliable and competent to search the records of this office, who make a business of making township plats at government rates:

Mrs Amy Cigrand, Ochsner Bldg., P.O. Box 1132

A.T. Forse, Hotel Worth, P.O. Box 559,

Gilmore & Gilmore, Capital Ntn'l. Bank Bldg., 7th & H Sts.

George W. Stewart, Ochsner Bldg., P.O. Box 1132.

Respectfully,

John C. Ing, Register.
