We ask you to fill out the enclosed blank and return it to us in order that we may list your new book in the CUMULATIVE BOOK INDEX. This is a monthly record of all the new books in the English language and goes to bookstores and libraries thruout the world. Without it a bookseller cannot procure your book for a prospective purchaser unless he or his customer happens to know the name and address of the publisher.

A listing in the CUMULATIVE BOOK INDEX means a wider circulation for the book and COSTS YOU NOTHING. We enclose extra blanks for your future use in informing us of your publications as soon as they are published. Ask us for more when you need them.

A copy of the book or descriptive material will be appreciated.
