Dear Sirs:

Enclosed, postal note for contribution toward catalogue, when issued, or for recent issues.

And I wonder if you would "want list" some items for me, mentioning for your cost so we can be sure and give them a fair shakedown. Unless dealers who might respond have gone out of reason I am very interested in obtaining some of them, and have a friend who is also more than "mildly" interested.

If you have any of the titles mentioned, please quote them to me.

The titles:

Kip-Army Life on the Pacific.

BAE: (Mooney) 14th Annual Report, Part II, the Ghost Dance Religion.

Wright, Col. George: Typographical Memoir.

Ross, Alexander, Adventures of First Settlers in Oregon.

Cox, Ross, Adventures on the Columbia River (Lakeside Press is ok).

Victor, Frances Fuller, Early Indian Wars of Oregon.

Melander-Drummers and Dreamers.

Manring, The Conquest of the Coeur d'Alenes, Spokanes and Palouse.

Stevens, Isaac I- (Railway Surveys, Stevens Vol. only, with plates).

Lewis, W.S., The Case of Spokane Gary (wraps)

St. Onge, Louis- Alphabet of the Yakima (French)

I do not suspect you can shake too many of the above out of the bushes.
I hope you may have some of the above mentioned in stock.

Sincerely Yours
Cliff Melander

Attn. Mr. Parker P. Jones

Dear Sir:

Enclosed is postal note, \$20 and with postage allowance
of \$1 for BAE 14th Annual Report, Part II, Ghost Dance Religion.

Your letter in reference to this item is appreciated.

You may keep me on "notification" list for the following:

Kip-Army Life in the Pacific; Mason (Indian Baskets, thick 8vo
BAE?) report; McWhorter, Yellow Wolf; Siler, Life in the Horse Heaven;
Howard, O.O., My Life and Experience Among Our Hostile Indians; Niblack,
Lt. (concerning Northwest Coast Indians); Kane, Wanderings of an Artist;
Symmons, Lt. Columbia River Survey; odd vol. Railway Surveys, Stevens

Of course I couldn't knock off all of the above at one sitting but
could nibble at them.

Please allow the postage to stand on the B.A.E. report (Ghost Dance).

Sincerely
