Dear Mr. Relander:

Thank you for your promptness
in sending the inscription for your book.
Will you please send us a similar one
for Helen Poyser? Poyser

We haven't heard about the
additional copies of Drummers and Dreamers
which you were to order for us but
assume they will come soon. May have
one sold.

The Fort Lemcoe book is
interesting.

Enjoyed having you here last
week along with the Shawaways - very
delightful people.

Best regards

Louise Shelton
